## Liberty Link Mobile App

The Softlink Liberty Link mobile app enables borrowers to connect to the library using mobile devices.

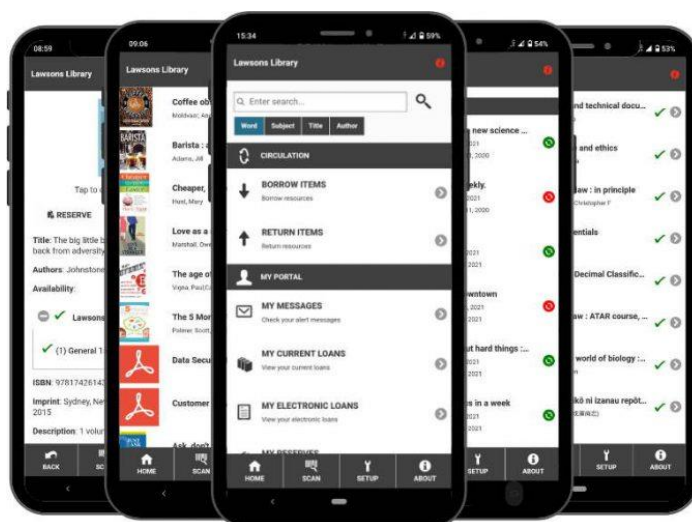

### With Liberty Link you can...

- Search for resources
- View current Loans and Reserves
- Renew your Loans
- View library information such as location and opening hours
- Scan ISBNs or barcodes to search for resources
- Place requests and reservations
- Check your alert messages
- Loan and Return Library Resources
- Access Reading Lists, New Items Lists, and Other Searches
- Access electronic resources such as ebooks and electronic documents

Liberty Link also allows Library Staff to:

**Weed resources, complete a stocktake or inventory, enhance catalogue images and metadata!**

Put the power in your users' hands with the mobile app.
