TOP 10 REASONS GOVERNMENT LIBRARIES PREFER
SOFTLINK INFORMATION CENTRES

A SUITE OF PRODUCTS
A range of products to help you including an ILMS, Alerting service, Digital repository, Discovery federated search layer and Research Management System.

CUSTOMISABLE & CONFIGURABLE
Configure and easily customise the ILMS to suit your service delivery requirements and users' needs. We know one size does not fit all.

COMPREHENSIVE REPORTING
Analytical reporting and insights. Scheduled reports deliver statistics and valuable information to your inbox.

WORLD CLASS SUPPORT
24-hour customer support by Library, Product, and IT experts using live chat, knowledgebase, phone or email support. Your choice.

ANY DEVICE, ANYTIME
Fully web-based products with a mobile app that is tablet and mobile friendly.

ONE STOP SHOP
Integrate and link to a variety of 3rd party providers to bring all your content together including ebooks, digital content, journals, online videos, and more.

MODULAR
Only pay for the modules you need, with additional options including Digital content, Interloans, Serials, Acquisitions, Copyright, Orbit, AI Enhance.

INTEROPERABLE
Integrate with everything using Single Sign On, APIs, and our built in integrations with other providers. Integrate with your current systems like SharePoint.

POWERFUL MANAGEMENT INTERFACE
Easy to use, yet flexible and powerful. Your day-to-day activities will be a breeze.

DEDICATED SPECIALISTS
Work with our expert implementations and product & development teams to manage your library now and to the future.
